

Mick's Magic Customer Care

Magician Mick Peck doesn't pull just rabbits out of his hat – client Gillianne Ray nominated Mick for a KiaOraMai Awesome Service Award for delivering all-round magic service.

Gillianne reports:

"It's always nerve racking to hire someone based on information from a website rather than word of mouth. But it paid off for us in a big way. Mick had 45 kids and 55 adult guests in stitches. "Mick's magic is matched by superb administrative skills, which should never be taken for granted. We would dearly love Mick to win a KiaOraMai Awesome Service Award because he definitely delivered impeccable service.

"He made us look good!" Chambers of Commerce judge Michael Barnett agreed and made Mick the November KiaOraMai Awesome Service Award winner. Michael notes that Mick has had a magic November, winning a KiaOraMai Awesome Service Award and being honoured by his peers with the 2011 "Top Children's Entertainer Award" by the Variety Artists Club of New Zealand.
