

Bringing food and great service to the table...

Rotorua's Bellamarie Todd says she "is just a waitress."

A group of regular visitors to Rotorua and the Boulevard Restaurant say she is exceptional.

Her boss says she is the best he has employed.

The KiaOraMai Awesome Service Award partners think she is a star.

...and Rotorua mayor Kevin Winters says Bellamarie is an asset to the city – and put on a reception to present her with her KiaOraMai Awesome Service Award.

Go to www.awesome-service.co.nz and find out why customers think she is special. Then nominate someone in business in your town who has given you outstanding customer service for a KiaOraMai Awesome Service Award.

And to find out about inspirational customer service training go to www.kiaoramai.co.nz.
