## Businesses' service saluted

01 Oct 2009

**The Tauranga Chamber of Commerce is saluting Bay businesses that offer their customers amazing service.**

Max Mason.

The pat on the back is part of a national acknowledgment from chambers of commerce around the country for Kiwi businesses. Tauranga Chamber of Commerce CEO Max Mason says locals who have experienced inspirational business service from someone in the Tauranga region can nominate them for one of the weekly New Zealand wide MYOB Awesome Service Awards. Max Mason says the awards are a reminder of how much we all depend on Kiwis in business to support our day to day lives. Winners get a big public pat on the back, chamber of commerce membership and other rewards. Award nominations can be made online at [www.awesomeservice.co.nz](http://www.awesomeservice.co.nz)
